## INDEPENDENT AUDITORS' REPORT

### To the Directors of PTP - Adult Learning and Employment Programs

We have audited the accompanying financial statements of PTP - Adult Learning and Employment Programs which comprise the statement of financial position as at March 31, 2017 and the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of PTP - Adult Learning and Employment Programs as at March 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

**1. PURPOSE AND LEGAL FORM**

PTP - Adult Learning and Employment Programs (the "Organization") was incorporated, under the laws of Canada on March 18, 1998. On September 17, 2007 the name of the Organization was changed from PTP - Preparatory Training Programs of Toronto to PTP - Adult Learning and Employment Programs. The Organization has obtained articles of continuance under the Canada Not-For-Profit Corporations Act on June 16, 2014. The Organization is to carry on its operations without pecuniary gain to its members and any profits or other accretions to the Organization are to be used in promoting its objectives: To provide basic skills education, upgrading, job search and related services to occupationally and vocationally disadvantaged adults.

The Organization is a Canadian registered charity under the Income Tax Act and is not subject to income taxes.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Organization have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations. The more significant of these policies are as follows:

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenues and expenses. Assumptions are based on a number of factors, including historical experience, current events and actions that the Organization may undertake in the future, and other assumptions believed reasonable under the circumstances. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into income in the year in which it is determined. Significant estimates incorporated into the Organization's financial statements include the estimated useful lives of capital assets and allowance for doubtful accounts. Actual results may differ from those estimates.

**Restrictions on Net Assets**

The Organization operated with three types of restrictions on its net assets:

- unrestricted net assets that can be used for any purposes that are consistent with the objectives of the Organization;
- internally restricted net assets that can be used only for the purposes specified by the Board of Directors; and
- invested in capital assets represents the assets net of liabilities related to the Organization's capital assets.

**2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

**Leases and Rent Expense**

Leases are accounted for as operating leases wherein rental payments are initially recorded in the statement of operations and are adjusted to a straight-line basis over the term of the related lease. The difference between the straight-line rent expense and the rental payments as stipulated under the lease agreement, if any, is included in account payable and accrued liabilities.

**Revenue Recognition**

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Any contributions not yet expended are recorded as deferred operating grants in these financial statements. Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions restricted for the purchase of capital assets are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital assets.

Fees for service revenue is recorded on the accrual basis. Fees for service revenue is recognized when the related services are provided. Fees for service revenues received in advance of the period to which they apply are recorded as deferred revenue.

The value of donated materials and service is not recorded.

**Capital Assets**

Capital assets are recorded at amortized cost. Capital assets are amortized at the following annual rates:

|                        |   |                   |
|------------------------|---|-------------------|
| Equipment              | - | 20% straight line |
| Leasehold improvements | - | 20% straight line |

When capital assets no longer contribute to the Organization's ability to provide services, their carrying amount is written down to their residual value.

**Financial Instruments**

The Organization initially measures its financial assets and liabilities at fair value. The Organization subsequently measures its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash, accounts receivable and marketable investments. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and accrued salaries.

Transaction costs and financing fees are expensed as incurred for financial instruments measured at fair value and capitalized for financial instruments that are subsequently measured at cost or amortized cost.

**Notes to Financial Statements**  
**March 31, 2017**

---

**2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

**Financial instruments**

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down, if any, is recognized in the excess (deficiency) of revenue over expenses. Reversals of impairment are recorded to the extent that the value has increased, up to the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess (deficiency) of revenue over expenses.

**3. ECONOMIC DEPENDENCE**

During the year ended March 31, 2017 the Organization received 83% (2016 - 85%) of its revenue from the Ministry of Advanced Education and Skills Development ("MAESD") (formerly Ministry of Training, Colleges and Universities ("MTCU")). The amount of revenue from this source is significant enough that the viability of the Organization is economically dependent on it.

**4. MARKETABLE INVESTMENTS**

Marketable investments are comprised of guaranteed investment certificates (GIC) as follows:

**11. FINANCIAL INSTRUMENTS**

**Liquidity Risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and accrued salaries. The Organization manages its liquidity risk by constantly monitoring forecasted and actual cash flows and financial liability maturities, and by holding assets that can be readily converted into cash.

**Credit Risk**

Credit risk is the risk that one party to a financial instrument will cause financial loss for the other party by failing to discharge an obligation. The Organization's main credit risks relate to its cash and accounts receivable. Cash balances are maintained at financial institutions and are insured by the Canadian Deposit Insurance Corporation up to \$100,000 per account. Accounts receivable consists primarily of amounts receivable from government agencies which inherently carry a lower credit risk.

There has been no significant change to the risks since March 31, 2017.

**12. CONTINGENT LIABILITY**

The Organization is contingently liable for all or a portion of grants received for expenditures should it not use the grant funds as set out in the terms of the respective agreements. The amount of any such repayments are not currently anticipated or determinable. Repayment of a grant will be recorded if and when it becomes anticipated and determinable.
